## **V. GEOS 121 Dynamic Earth**

1. Title: Earth 2<sup>nd</sup> edition

Author: Marshak, Stephen

Publisher: W.W. Norton & Company

ISBN: 039392502-1

Here is the link for the electronic version of the textbook by Marshak is:

<http://www.powells.com/biblio/0393107191>

I will also be requiring the following materials, in addition to the text book

\* "Rite in the Rain"® Loose Leaf Binder, 1/2" Capacity, #200 for 4 5/8" x 7" loose leaf sheets (exact model as

<http://www.riteintherain.com/ItemForm.aspx?item=200&Category=8712c1c0-49be-4725-bd04-cae1abb7f36d>)

\* "Rite in the Rain"® Loose Leaf Sheets, Cruiser's Transit Grid, #342 (exact model as <http://www.riteintherain.com/ItemForm.aspx?item=342&Category=071824d3-88a8-4a99-9da3-1db7965689fe>)

\* Circular Protractor (similar to <http://www.reuels.com/reuels/product21004.html>)

\* Tenths/metric Ruler (similar to <http://www.reuels.com/reuels/product20742.html> or I believe that the bookstore is now stocking the 10s and 20s ruler that we require for most Geoscience major's courses)

\* WARD'S Rock and Mineral Test Kit (equivalent to Item #12 V 0300 at <http://www.wardsci.com/product.asp?pn=IG0011936>)

\* Mechanical pencils

\* Good quality eraser

\* Colored pencils

*Instructors Note: I have included web sites that carry the first five items. The Rite in the Rain binder and paper must be that exact model and brand. You may substitute similar items with equivalent specifications for the other materials I have listed. In fact, I believe the bookstore is regularly stocking the ruler, eraser, and colored pencils that we often require in upper-level Geoscience courses such as GEOS 225 Rocks and Minerals.*
